

---

**EDUCATION**

---

- Ph.D. in Neuroscience** (GPA: 3.90) February 2021  
SUNY Buffalo, Jacobs School of Medicine & Biomedical Sciences  
Honors: Presidential Fellow; Deans Award for Outstanding Dissertation Research
- B.S. in Psychology & Biology** (GPA: 3.97) May 2016  
West Virginia University, Honors College  
Honors: Presidential Honors Scholar; *Summa Cum Laude*; Phi Beta Kappa

#### HONORS, SCHOLARSHIPS & AWARDS

---

<b>National Academy of Science</b> , Wendy Schmidt Award for Science Communication	2023
<b>Society for Neuroscience</b> , Next Generation Award	2023
<b>Pulitzer Center on Crisis Reporting</b> : Truth Decay Grant	2023
<b>Vlogbrothers</b> ; Sponsorship for Educationally Minded Online Video Channels	2022
<b>Stanford University</b> ; Postdoc Justice, Equity, Diversity, Inclusivity (JEDI) Champion Award	2022
<b>National Institutes of Health (NIH)</b> ; LRP Award	2022
<b>AAAS</b> ; Finalist: Early Career Award for Public Engagement with Science	2022
<b>Mind Science Foundation</b> ; BrainStorm Neuroscience Pitch Competition (1 <sup>st</sup> Place)	2021
<b>SUNY Buffalo</b> ; Deans Award for Outstanding Dissertation Research	2021
<b>SUNY Buffalo</b> ; Beverly P. Bishop and Charles W. Bishop Neuroscience Doctoral Thesis Award	2021
<b>Society for Neuroscience</b> ; Trainee Professional Development Award	2020
<b>Sigma Xi</b> ; Companions in Zealous Research Award	2020
<b>Northeastern Association of Graduate Schools</b> ; International Finalist: 3MT Competition	2020
<b>SUNY Buffalo</b> ; Three Minute Thesis Competition (1 <sup>st</sup> Place)	2020
<b>SUNY Buffalo</b> ; Excellence in Research, Scholarship and Creativity Award	2020
<b>SUNY Buffalo</b> Neuroscience Research Day; Best Poster Award	2019
<b>SUNY Buffalo</b> ; Beverly Petterson Bishop and Charles W. Bishop Neuroscience Travel Award	2018/2019
<b>SUNY Buffalo</b> ; Presidential Fellowship	2016–2021
<b>WVU</b> ; <i>Summa Cum Laude</i>	2016
<b>WVU</b> ; Robert F. Munn Library Scholars Award for the Outstanding Undergraduate Thesis	2016
<b>WVU</b> Psychology Department: Quin Curtis Award for the Outstanding Undergraduate Student	2016
<b>WVU</b> ; Dean’s List (>3.5 semesterly GPA)	2016
<b>WVU</b> ; President’s List (4.0 semesterly GPA)	2013- 2015
<b>WVU</b> Neuroscience Club: SfN Annual Meeting Travel Award	2014
<b>WVU</b> ; George W. Jackson Endowment for the Arts & Sciences	2014–2016
<b>WVU</b> ; Blue & Gold Scholarship	2013–2016

#### TEACHING

---

##### *Course / Workshop Instructor*

- **University of Texas, Dallas**; Center for Brain Health  
*Workshop*: Leveraging Social Media for Public Engagement with Science 2023
- **University of Minnesota**; Graduate School  
*Course*: Communicating Research to a Lay Audience 2022
- **Stanford University**; Scientists Speak Up / BioSci Careers  
*Workshop*: Communicating Research to a Lay Audience 2022
- **Johns Hopkins University**; Office of the Provost  
*Workshop*: Communicating Research to a Lay Audience 2022

##### *Guest Lecturer*

- **SUNY Buffalo Jacobs School of Medicine**: Neuroscience (NRS) 602  
*Guest Lecture*: Autism spectrum disorder & activity-dependent synapse formation 2020
- **Society for Neuroscience**: Western New York Brain Bee  
*Guest Lecture*: Introduction to Neuroscience 2020

##### *Academic Tutor / Coach*

- **University of Minnesota Graduate School**: 3MT Coach 2022  
Provided individual consulting sessions for students competing in 3MT competition.

- **Varsity Tutors:** Academic Tutor 2017-2020  
Online college tutor for statistics, neuroscience, and biology curriculum.
- **West Virginia University Department of Athletics:** Academic Tutor 2014-2015  
Tutored WVU athletes for statistics, psychology, biology, and English courses.

---

#### INVITED PRESENTATIONS

---

2023

- **Amsterdam Psychedelic Research Association, Zoom** / MDMA enhances empathy-like behaviors in mice through 5-HT release in nucleus accumbens (talk)
- **UT Dallas, Center for Brain Health, Dallas, TX** / Mythbusting: How a Neuroscientist Uses Social Media for Good (talk)
- **Mind Science Foundation, San Antonio, TX** / Moderator for Brainstorm Competition Winners Panel
- **George Mason University, Carter School for Peace and Conflict Resolution, Zoom** / Peace week panel on empathy and compassion (panel)
- **NeuroWellness Summit, Denver, CO** / Brain systems beneath empathy: exploring how MDMA enhances social connection (talk)
- **Intercollegiate Psychedelics Network, PsychedelX Conference, Zoom** / A conversation with Dr. Ben Rein (keynote)
- **UT Dallas, Center for Brain Health, Dallas, TX** / Leveraging social media for public engagement with science (talk)
- **Animal Research Tomorrow, 3R Award Ceremony, Zoom** / The power of sci-comm: how a neuroscientist uses social media for good (Keynote Lecture)
- **Women's Biohacking Conference, Zoom** / Interview on neurofeedback, MDMA, and empathy (interview)
- **Stanford University, BioSci Careers, #Hashtag Communications Event, Palo Alto, CA** / Communicating more effectively with digital natives (panelist & event organizer)
- **Stanford Health Care, Health Matters, Palo Alto, CA** / Moderator for presentation by Dr. Nolan Williams
- **Federation of European Neurosciences Society, Regional Meeting 2023, Algarve, Portugal** / Leveraging social media for public engagement with science (talk)
- **SUNY Buffalo Jacobs School of Medicine & Biomedical Sciences, Buffalo, NY** / Alternative careers in science (panel)
- **Cleveland Clinic, Zoom** / Exploring the mechanisms by which MDMA enhances empathy (talk)
- **International Journalism Conference, Perugia, Italy** / Truth decay: scientific misinformation & journalistic responses (panel)
- **Neuroscience & Yoga Conference NYC, Zoom** / Neuroscience for beginners (talk)
- **ComSciCon Atlanta, Zoom** / Sci-Comm through soundwaves (panel)
- **Stanford Health Care Interventional Platform, Palo Alto, CA** / Exploring the mechanisms by which MDMA enhances empathy (talk)
- **Psychedelics as Medicine Conference, Reykjavik, Iceland** / Exploring the mechanisms by which MDMA enhances empathy (talk)
- **Microdose X, Amsterdam, Netherlands** / Exploring the mechanisms by which MDMA enhances empathy (talk)
- **Fordham University Science Club, Zoom** / Career Q&A for student members

2022

- **University of San Diego, Department of Psychological Sciences, San Diego, CA** / Leveraging social media for public engagement with science (talk)
- **Society for Neuroscience Annual Meeting, Science Communicators Meet-Up, San Diego, CA** / (event organizer)
- **Mind Science Foundation, San Antonio, TX** / An Evening with Ben Rein, PhD: The neuroscience of social behavior and the effects of isolation (talk)
- **Stanford University, Scientists Speak Up, Palo Alto, CA** / Debunking on Social Media (panel)
- **WSKG Science Pub, YouTube** / A fresh look at autism: science, social media, and the search for clues (talk)
- **Unleash Your PhD Annual Summit, Zoom** / Career Q&A for students in science
- **Neuroscience & Yoga Conference NYC, Zoom** / Neuroscience for beginners (talk)
- **Stanford University, BioSci Careers & Scientists Speak Up, Palo Alto, CA** / Communicating research to a lay audience: crafting a compelling message (workshop)
- **University of Minnesota Graduate School, Zoom** / Communicating research to a lay audience: crafting a compelling message (workshop)
- **Johns Hopkins University, Office of the Provost, Zoom** / Communicating research to a lay audience: crafting a compelling message (workshop)
- **San Jose State University, Zoom** / Career Q&A for student members
- **Northeastern University, Genetic Counseling Interest Group, Zoom** / Science communicators (panel)
- **Doctors of Tomorrow, Zoom** / Career Q&A for student members

- **Duquesne University, Tri-Beta Biology Honors Society**, *Zoom* / Career Q&A for student members

2020/2021

- **Johns Hopkins University**, *Zoom* / Designing a career as a communicator (panel)
- **Stuyvesant High School, GYLT**, *Zoom* / Finding your future career in science (talk)
- **California State University Channel Islands, Neuroscience Society**, *Zoom* / Career Q&A for student member
- **Kansas University Nu Rho Psi**, *Zoom* / Career Q&A for student members
- **Medical Leaders of Tomorrow**, *Zoom* / Career Q&A for student members
- **Andover Neuroscience Club**, *Zoom* / Career Q&A for student members
- **Science and Medicine in Action**, *YouTube* / The neuroscience of autism spectrum disorder (talk)

## PUBLIC ENGAGEMENT

## CONFERENCE PRESENTATIONS

### Oral Presentations

Rein B. Leveraging Social Media for Public Engagement with Science. FENS 2023 Regional Meeting, Algarve, Portugal, May 2023

Rein B, Tan T, Yang F, Wang W, Williams J, Zhang F, Mills A, Yan Z. Reversal of Synaptic and Behavioral Deficits in a 16p11.2 Duplication Mouse Model via Restoration of the GABA Synapse Regulator *Npas4*. Annual Society for Neuroscience meeting, Chicago, IL, October 2019

Rein B, Yan Z, Wang Z-J. Diminished Social Interaction Incentive Contributes to Social Deficits in Mouse Models of Autism Spectrum Disorder. Brain & Behavioral Sciences Symposium, SUNY Buffalo, May 2019.

Rein B, Tan T, Wang W, Yang F, Williams J, Yan Z. Phenotypic and Mechanistic Characterization of a Mouse Model of 16p11.2 Duplication Syndrome. Neuroscience Research Day, SUNY Buffalo, October 2018.

Rein B, McNeil DW, Hayes AR, Hawkins TA, Ng HM, Yura CA. Evaluation of an Avatar-Based Training Program to Promote Suicide Prevention Awareness in a College Setting. Tri-State Psychology Research Conference, Marshall University, April 2016.

### Poster Presentations

Rein B. Leveraging Social Media for Public Engagement with Science: An Analysis of In-App Data. Society for Neuroscience Annual Meeting, November 2022.

Tuy S, Jones E, Boustani C, Rein B, Smith ML. Olfactory Cues Mediate the Rapid Social Transfer of Pain in Mice. Society for Neuroscience Annual Meeting, November 2022.

Rein B, Ma K, Yan Z. A Standardized Social Preference Protocol for Measuring Social Deficits in Mouse Models of Autism. SfN Global Connectome, January 2021. \**SfN Trainee Professional Development Award*

Rein B, Tan T, Yang F, Wang W, Williams J, Zhang F, Mills A, Yan Z. Reversal of Synaptic and Behavioral Deficits in a 16p11.2 Duplication Mouse Model via Restoration of the GABA Synapse Regulator *Npas4*. 2020 Celebration of Academic Excellence, SUNY Buffalo, October 2019.

Rein B, Tan T, Yang F, Wang W, Williams J, Zhang F, Mills A, Yan Z. Reversal of Synaptic and Behavioral Deficits in a 16p11.2 Duplication Mouse Model via Restoration of the GABA Synapse Regulator *Npas4*. Neuroscience Research Day, SUNY Buffalo, October 2019. \* *Best Poster Award*

Rein B, Wang W, Zhang F, Tan T, Zhong P, Yan Z. Chemogenetic Activation of Prefrontal Cortex Rescues Synaptic and Behavioral Deficits in a Mouse Model of 16p11.2 Deletion Syndrome. Annual Society for Neuroscience meeting, San Diego, CA, November 2018.

Rein B, Wang W, Zhang F, Tan T, Zhong P, Yan Z. Chemogenetic Activation of Prefrontal Cortex Rescues Synaptic and Behavioral Deficits in a Mouse Model of 16p11.2 Deletion Syndrome 2018 Celebration of Student Academic Excellence, SUNY Buffalo, April 2018

#### GRANT SUPPORT

---

<b>Pulitzer Center on Crisis Reporting:</b> Truth Decay Grant Initiative Grant awarded for a collaboration project with OpenMind Magazine and Scientific American to create in-depth media stories covering science misinformation, science denial, and the spread of pseudoscience.	2023
<b>National Institutes of Health:</b> Loan Repayment Program (NIH LRP) Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD) Title: <i>Characterizing the impact of early-life social experience and isolation on PFC development in mice</i> Amount: \$10,436.53 in loan repayment	2022-2024
<b>Mind Science Foundation:</b> Tom Slick Research Award in Consciousness 1 <sup>st</sup> Place Winner: Brainstorm Neuroscience Pitch Competition Title: <i>Practice makes perfect: how does social experience in early life shape brain development?</i> Amount: \$30,000 in research funds (+\$1,500 travel stipend)	2021-2022

#### RESEARCH EXPERIENCE

---

<b>Postdoctoral Scholar</b> Stanford University, Department of Psychiatry and Behavioral Sciences Supervisor: Dr. Robert Malenka Research topic: Circuit-level mechanisms underlying MDMA's enhancement of empathy in mice.	2021-present
<b>PhD Student</b> SUNY University at Buffalo, Department of Physiology & Biophysics Supervisor: Dr. Zhen Yan Research Topic: Genetic and synaptic mechanisms underlying social deficits in autism spectrum disorder.	2016-2021
<b>Undergraduate Research Assistant</b> West Virginia University, Department of Neuroscience Supervisor: Dr. George Spirou Lab Research Topic: Connectomics project mapping the mouse auditory cortex.	2016
<b>Undergraduate Research Assistant</b> West Virginia University, Department of Psychology Supervisor: Dr. Daniel W. McNeil Research topic: Evaluating online training methods for suicide prevention awareness in a college setting.	2015-2016
<b>Undergraduate Research Assistant</b> West Virginia University, Department of Neuroscience Supervisor: Dr. Steven Kinsey Research Topic: The endocannabinoid system in pain	2015-2016
<b>Undergraduate Research Assistant</b> West Virginia University, Department of Psychology	2014

Supervisor: Dr. Hawley Montgomery-Downs

Research topic: Correlation between postpartum sleep disturbances in infants and long-term health outcomes.

---

#### TECHNICAL SKILLS / TRAINING

---

<b>Electrophysiology</b>	Spontaneous and evoked whole-cell patch clamp recordings (in PFC pyramidal neurons)
<b>Biochemistry</b>	Chromatin Immunoprecipitation (ChIP), RNA isolation for qPCR & RNA-sequencing, Western blotting, cDNA synthesis, RT-qPCR, immunohistochemistry, confocal microscopy, nuclear/synaptosomal subcellular fractionation
<b>Mouse Behavior</b>	Three-chamber social preference, social withdrawal, temporal order recognition memory, novel object recognition memory, open field locomotion, self-grooming, marble burying, pre-pulse inhibition/startle response, elevated plus maze, forced swim test, Von Frey test, thermal place test, hot plate test, emotional discrimination, juvenile interaction test, Barnes maze, conditioned place preference (CPP), social CPP, social transfer of pain & analgesia
<b>Animal Handling</b>	Stereotactic viral injections, intracranial cannulation, optogenetic fiber implantation, CFA paw injections, intraperitoneal/subcutaneous injections, serial brain dissection, perfusion
<b>In vivo manipulations</b>	Optogenetic stimulation of neurons/terminals (ChR2); intracranial cannula infusions; chemogenetic (DREADD) stimulation of neuronal populations
<b>Software</b>	Ilastik, 3D Slicer, ZEISS ZEN, Graphpad Prism, ANY-maze, Canvas, Cytoscape, DAVID, ImageLab, ImageJ/FIJI, Endnote

---

#### PROFESSIONAL ASSOCIATIONS

---

<b>Scientific Advisor</b>	Roony; Mendi; Arrived AI; Brazen Bio; Webdelics
<b>Scientific Consultant</b>	Avion Tequila; Entertainment Tonight; REN TV; AMADEHAUS; SickBird Productions; Noonchi; Huge If True; Tyler Csatari Media; Gary Chattaway
<b>Social Media Consultant</b>	Super App; Qwarke App; Ibble App; Retreat App; Goodself App
<b>Manuscript referee</b>	JMIR Infodemiology; Frontiers in Neuroscience ; Journal of Medical Genetics; Scientific Reports; Neuropsychiatric Disease and Treatment; Bioengineered; Journal of American College Health
<b>Grant referee</b>	W.M. Keck Foundation; Mind Science Foundation

#### Group Affiliations:

Arrived AI; Social Council	2022-present
Public Goods Project; Health Influencer Council	2022-present
American Association for the Advancement of Science (AAAS)	2020-present
Sigma Xi	2020-present

Psi Chi International Honor Society in Psychology	2015-present
Society for Neuroscience	2014-present
NSCS: National Society for Collegiate Scholars	2014-present

---

#### LEADERSHIP / VOLUNTEER POSITIONS

---

Aspiring Scientists Coalition (ASC): Founder & President ( <a href="http://www.ASCscience.com">www.ASCscience.com</a> )	2020-present
Society for Neuroscience: Social Media Ambassador	2021
SUNY Buffalo Jacobs School of Medicine: Student Ambassador	2019 –2021
SUNY Buffalo Neuroscience Graduate Association: Senator	2017- 2018
WVU Student Mental Health Awareness Board: Founding Member	2015- 2016
WVU Eberly College of Arts & Sciences: Student Representative	2015
WVU Psychology Club & Psi Chi: President (2015), Vice President (2014) Publicity Chair (2013)	2013 - 2016
